

- Integrated content from **leading surgical references** organized according to the **ACGME's core curriculum**.
- **Monthly text and video updates** as well as journal reviews from the editors of *Schwartz's Principles of Surgery*
- Library of high-quality, narrated **procedural videos**.
- **Self-assessment questions** for residents, with reporting functionalities for program directors.

The screenshot displays the McGraw-Hill's ACCESS SURGERY website interface. At the top, there is a navigation bar with links for 'HOME', 'PROCEDURES', 'TEXTBOOKS', 'VIDEOS', 'SELF-ASSESSMENT', 'DRUGS', 'DIFFERENTIAL DX', and 'A-Z INDEX'. A search bar is prominently featured with options for 'All site content', 'Images', and 'Videos'. The main content area is divided into several sections:

- Core Procedure:** A section for 'Thyroidectomy' with a note that it is a core procedure requiring certification by the American Board of Surgery (ABS). It includes links to 'ATLAS' (Zollinger's Atlas of Surgical Operations), 'VIDEO' (Laparoscopic Thyroidectomy, 17 minutes), and 'TEXTBOOKS' (Schwartz's Principles of Surgery, Chapter 37).
- Core Curriculum:** A central section listing various surgical specialties such as Acute Surgery, Endocrine Surgery, Cardiothoracic Surgery, Gastrointestinal Surgery, Vascular Surgery, Head & Neck, Plastic & Reconstructive Surgery, and General Skills.
- Procedures:** A list of surgical procedures including Body Wall, Cardiothoracic, Colorectal, Critical Care, Endocrine, Endoscopic, Hepatopancreaticobiliary, Pediatric Surgery, Surgical Oncology, Transplantation, Trauma, Upper Gastrointestinal, and Vascular.
- Featured Video:** A video titled 'Total Left Mastectomy' with a 'Play Video' button.
- Textbooks:** A list of available textbooks including 'Current Surgical Diagnosis and Treatment', 'Schwartz's Principles of Surgery', 'Zollinger's Atlas of Surgical Operations', 'Skandalakis' Surgical Anatomy', and 'Current Consult Surgery'.
- Editor's Journal Review:** A section featuring a review by Seymour I. Schwartz, MD, from the New England Journal of Medicine (7/13/06) on 'Medical Progress: Surgery of the Thoracic Aorta'.
- Featured Update:** A section for 'Molecular Surgery Demonstration' (1/11/2006) with a 'Play Video' button.
